INFOACADEMY

Dear

I want to **congratulate** you on completing the **HTML 5 / CSS 3** course as part at InfoAcademy®.
This hands-on, lab-oriented course has prepared you for tremendous career opportunities.

You have achieved student level credential for completing this course and acquired the following **capabilities**:

- **Use semantic tags for the HTML structure**
- **Apply CSS styles for HTML elements**
- **Determine specificity for CSS styles**
- **Use colors and colors profiles**
- **Design pages color schemes**
- **Use images and transparency**
- **Use lists, links and menues**
- **Use tables to display data**
- **Use forms and CSS data validation**
- **Improve user experience with placeholders and data lists**
- **Use box model for layout and design**
- **Apply background colors, images, gradients and shadows**
- **Customise border layout with colors and images**
- **Design page layouts with display modes**
- **Apply grid display model**
- **Apply flex display model**
- **Align and position HTML elements**
- **Use transformations, transitions and animations**

Sincerely,

Paul Fratila
